No Show and Cancellation Policy

At Beverly Friedlander MD Plastic Surgery and TrueBeauty MedSpa, our goal is to provide quality care in a timely manner. We have implemented a no show and cancellation policy which enables us to better utilize available appointments for our patients.

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment book.

Please be courteous and call the office promptly if you are unable to attend an appointment. This time will be reallocated to someone else. Available appointments are in high demand and your early cancellation will give another patient the opportunity to be seen in a timely manner.

- **Patients who fail to show for their scheduled appointment and do not notify the office within 1 business day or 24 hours of their scheduled appointment time or patients who call to reschedule with less than 1 business day or 24 hours' notice, shall be subject to a "No Show/Cancellation" fee of $100.**
- **Patients will be rescheduled no more than 3 times for repeat late cancellations or no show.**

- **Complimentary procedures in our Med Spa will not be rescheduled due to late cancellation or no show.**
